

Registered Psychologist
Regular Full-Time (1.0 FTE). Start Date: ASAP
Hours of Work: Flexible. Open Until Filled

Anderson Adkins Associates / Red Ladder Optimized Learning is seeking a Psychologist to become a key member of our group. The successful candidate will have demonstrated ability with provision of evidence-based psychological methods to treat a range of conditions in children, teens, adults. We welcome applicants with a variety of backgrounds; however, those with interest and skill in treatment of anxiety and depression in children and teens are particularly welcome to apply, as are those with strong background in neurodevelopmental disorders, learning disorders/disabilities, coaching for ADHD, treatment for self-regulation, and interest in working with couples and families. Strength in psychological /psychoeducational assessment is an asset. Competency in languages in addition to English an asset, and competence in French highly desirable. For a suitable candidate, there is an opportunity possibility of augmenting areas of practice through additional supervision.

The successful candidate will be registered currently as a Psychologist (C.Psych.) with the Psychological Association of Manitoba, or registered in another jurisdiction and eligible for registration in Manitoba.

Applicants should provide a cover letter and curriculum vitae electronically or by mail. For a confidential conversation about this opportunity, feel free to contact Dr. Neal D Anderson, C.Psych. 204-226-2566 / anderson@redladder.ca or Dr. Elizabeth Adkins, C.Psych. 204-489-1682 (222) / adkins@redladder.ca).

Anderson Adkins Associates is a general and family psychology practice, providing assessment and treatment to children, teens, adults, couples, and families from offices near Polo Park in Winnipeg. Areas of focus include depressive disorders, anxiety disorders, trauma- and stress-related disorders, marital, family, and parenting difficulties, sexual difficulties, work problems, anger management, addictions (e.g. alcohol, smoking).

Red Ladder Optimized Learning is the part of our practice dedicated to providing comprehensive, accessible psycho-educational evaluation and treatment services for children, teens, and adults. As Red Ladder Optimized Learning, we conduct evaluation and offer treatment for learning disabilities, ADHD/ADD, non-verbal disabilities, autism spectrum disorders, intellectual disability, and other conditions.
